

MEGDEN PUBLISHING COMPANY
ANNOUNCES THE LONG-AWAITED REPRINTS
OF TWO GREAT MOTORCYCLE HISTORY BOOKS.

American Racer, 1900-1940 and American Racer, 1940-1980
by
Stephen Wright

American Racer, 1900-1940 and American Racer, 1940-1980 have been out-of-print for over two decades. During this time, their scarcity and desirability among book collectors and motorcycling enthusiasts has greatly increased their value. They are typically offered from \$300 to in-excess of \$1,000 in online auctions and private sales.

We are pleased to announce that a limited number of these acclaimed and sought-after motorcycle racing history books are now available for purchase directly through the publisher at a realistic price. With improvements in technology, the quality of these reprints has surpassed the originals.

This offer is being sent to you because you requested the opportunity to purchase copies of this limited print run before they are widely advertised.
